Provisions

In consideration of the foregoing Background Information, which is incorporated by this reference as if fully re-written herein and the mutual covenants and provisions set forth herein, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Confidential Information. As used in this Agreement, "Confidential Information" shall mean any and all technical and non-technical information about Department of Health, including, but not limited to data and information processed or provided by the Department of Health in connection with evaluating and assessing the Services. The Recipient hereby agrees to abide by the Department of Health's determination that such information is Confidential Information and that the same is of a special and unique nature and value, important and material, that it gravely affects the effective and successful conduct of the business.

Section 2. Preservation of Confidentiality. All Confidential Information (a) supplied by any employee, agent, consultant, or independent contractor of Department of Health ("Department of Health Representatives") to the Recipient or any employee, agent, officer, director, shareholder, independent contractor or representative of the Recipient (collectively, the "Recipient Representatives"), (b) obtained by the Recipient or any Recipient Representatives from any documents, meetings or telephone conversations with any Department of Health Representatives or from books or records of Department of Health, (c) obtained by the Recipient or any Recipient Representatives or in any other manner including through hosting the software evaluation on Recipient's website, or (d) jointly or individually developed by Department of Health and/or Recipient shall be protected and maintained by the Recipient on a confidential basis and the Recipient shall not use any of the Confidential Information for any purposes (other than as permitted by this Agreement). The Recipient shall refrain from directly or indirectly disclosing any of the Confidential Information to any person, firm, fund, or entity, or knowingly making any Confidential Information available to any others for any use (other than as permitted by this Agreement). Failure to mark any of the Confidential Information as confidential or proprietary shall not affect its status as Confidential Information. In furtherance and not in limitation of the foregoing provisions, the Recipient shall:

- (a) Restrict disclosure of the Confidential Information only to those of the persons as may be absolutely necessary;
- (b) Advise all persons to whom Confidential Information is disclosed of the strict obligations of confidentiality hereunder; and

- (c) Take such steps to protect the confidentiality of the Confidential Information as may be taken to protect the Recipient's own confidential materials, but in no event shall the Recipient use less than a reasonable degree of care.

In addition to the foregoing, Recipient agrees to use reasonable and appropriate administrative, physical and technological safeguards to: (i) prevent use or disclosure of the Confidential Information other than as provided for by this Agreement; and (ii) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Confidential Information. Recipient represents and warrants that it has implemented, and during the term of this Agreement shall maintain, comprehensive written privacy and security policies and procedures and the necessary administrative, technical and physical safeguards appropriate to the size and complexity of Recipient's operations and the nature and scope of its activities.

Section 3. Recipient Representatives. Recipient agrees to ensure that any Recipient Representative to whom it provides Confidential Information agrees in writing to the same restrictions and conditions that apply through this Agreement to Recipient with respect to Confidential Information. Such written agreement shall also require the Recipient Representative to implement reasonable and appropriate administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the Confidential Information that it receives. Recipient, and not the Department of Health, is solely responsible for Recipient Representatives' uses and disclosures of Confidential Information.

- (c) The information is disclosed to the Recipient by a third party (except an employee or former employee of Recipient or its affiliates) who is not under a legal restriction not to so disclose such information.

Section 6. Fulfillment of Purpose. When requested by Department of Health, the Recipient shall:

- (a) Return all documents, copies of documents, computer records and other means of recording or storing Confidential Information in Recipient's or Recipient Representatives' possession to Department of Health within five (5) calendar days or, at Recipient's option, destroy all such items;
- (b) Certify in writing to Department of Health that the Recipient has so complied; and
- (c) Not use or disclose the Confidential Information or transact business in any manner based upon the Confidential Information.

Section 7. Indemnification of Department of Health. The Recipient shall indemnify and hold Department of Health harmless from and against all liability, loss, cost or expense (including attorneys' fees) which Department of Health may sustain or incur by reason of the breach of any agreements, representations, warranties or covenants of or relating to Recipient or any of the Recipient Representatives contained in this Agreement or by reason of the enforcement by Department of Health of any such agreements, representations, warranties or covenants set forth herein.

Section 8. Survival. The restrictions and obligations under this Agreement shall survive any expiration, termination or cancellation of this Agreement and shall continue to bind Recipient, its successors and assigns.

Section 12. Illustrative Terms. Whenever the word "including", "includes" or any variation thereof is used herein, such term shall be construed as a term of illustration and not a term of limitation. For example, the term "including" shall be deemed to mean "including, without limitation", and the term "includes" shall be deemed to mean "includes, without limitation".

Section 13. Joint Preparation. This Agreement shall not be construed more strictly against any party because the party or its legal representatives participated in its drafting.

Section 14. Response to Subpoena. Recipient shall promptly notify Department of Health if it receives a subpoena or other legal process seeking the disclosure of Confidential Information. Such notification shall be provided in a timeframe that allows Department of Health a reasonable amount of time to respond to the subpoena, object to the subpoena, or to otherwise intervene in the action to which the subpoena pertains.

Section 15. Notification of Claims. Recipient shall promptly notify Department of Health upon notification or receipt of any civil or criminal claims, demands, causes of action, lawsuits, or governmental enforcement actions arising out of or related to this Agreement or the Confidential Information, regardless of whether Department of Health and/or Recipient are named as parties in such claims, demands, causes of action, lawsuits, or enforcement actions.

Section 16. Assistance in Litigation or Administrative Proceedings. Recipient shall make itself and any Recipient Representatives, available to Department of Health to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against Department of Health based upon a claimed violation of any laws protecting the use or disclosure of the Confidential Information.

Section 17. No Third-Party Beneficiaries. It is the intent of the Parties that this Agreement is to be effective only regarding their rights and obligations with respect to each other.
